IEEE is searching for strategic partners (or partnerships) and sponsors for the IEEE Vision, Innovation, and Challenges Summit and Honors Ceremony Gala. These partnerships are a great opportunity for your business to build brand association within the technological space.

Now in its fifth year, the Summit brings together leading innovators, visionaries, and disruptors in technology to discuss, explore, and uncover what is imminent, what is possible — and what these emerging technologies mean for our shared future.

**BENEFITS OF SPONSORING**

**INTERACT |** Throughout the event, sponsors have multiple opportunities and ways to network with attendees from around the world and across industry and academia.

**EMPOWER |** Being both an in-person and online event, sponsors generate brand awareness and provide information to attendees far beyond San Diego.

**INFLUENCE |** Improve your ROI by positioning your brand front-and-center, influencing attendees and showcasing your solutions to a worldwide audience of key decision makers.

**ENHANCE |** Promote your organization’s visibility throughout the IEEE Vision, Innovation, and Challenges Summit and Honors Ceremony including its growing social media following.

We hope you join us on 6 May at the Marriott Marquis in San Diego. Connect with our engaged community of individuals shaping a better future for all.

See you there,

Dr. Karen Panetta  
IEEE Awards Board Chair
The IEEE VIC Summit highlights the innovation and creativity of engineering, science, and technology through provocative, educational, and inspiring talks with a vision for the future, opportunities for innovation, and the challenges to overcome.

The event typically draws individuals from all over the world, from young professionals to high-level career professionals in the technology ecosystem.

“It’s the most exciting awards show that I’ve ever attended.”

ABOUT THE HONORS CEREMONY GALA
Celebrating some of the greatest minds of our time!

The Summit culminates with the IEEE Honors Ceremony Gala—an evening celebration of renowned icons whose work has served as a catalyst for and propelled major advances in such areas of

- communications,
- medical imaging,
- visual media,
- information sciences and systems, and
- various other fields of computer and electrical engineering.

It is only through their achievements that have made today’s advancements possible.

“She Award Ceremony & Gala certainly felt like attending the Academy Awards.”

“Overcoming uncommon challenges demands both unconventional thinking and exploratory zeal. For two years we have been proud to sponsor the IEEE VIC Summit and Honors Ceremony and the James H. Mulligan, Jr. Education Medal. And in 2019, we had the opportunity to present a distinguished talk on aerospace technology at the event to an audience of over 350 technologists. Lockheed Martin is pleased to celebrate those who also embrace these ideals and share Lockheed Martin’s vision of a brighter, safer, and more productive future.”

“A passion for unrelenting innovation is what drives Qualcomm’s pursuit of the transformative technologies of the future. Recognizing and honoring that same drive in those individuals and organizations setting the standard for technology and engineering excellence, we are proud of our sponsorship of the IEEE Richard W. Hamming Medal and the 2019 "An Evening of Innovation" pre-event held before the Honors Ceremony at the Qualcomm San Diego Campus.”
