An IEEE Summit and Honors Ceremony

2024

SPONSORSHIP PROSPECTUS

3 May 2024 | Boston, Massachusetts, USA

SPONSOR TODAY. SHAPE TOMORROW.

Partner with us at this intimate, high-level event

As the Summit enters its seventh year, it unites prominent innovators, visionaries, and disruptors in technology to engage in discussions and exploration of what lies ahead, what can be achieved, and the implications of these emerging technologies for our collective future.

Seize this unique opportunity to strengthen your brand presence within the technological space by sponsoring the IEEE Vision, Innovation, and Challenges Summit and Honors Ceremony Gala.

BENEFITS OF SPONSORING

INTERACT | Throughout the event, sponsors have multiple opportunities and ways to network with attendees from around the world and across industry and academia.

EMPOWER | Being both an in-person and online event, sponsors generate brand awareness and provide information to attendees far beyond Boston.

INFLUENCE | Improve your ROI by positioning your brand front-and-center, influencing attendees and showcasing your solutions to a worldwide audience of key decision makers.

ENHANCE | Promote your organization's visibility throughout the IEEE Vision, Innovation, and Challenges Summit and Honors Ceremony including its growing social media following.

We hope you join us on 3 May in Boston. Connect with our engaged community of individuals and organizations in shaping a better future for all.

See you there,

A handwritten signature in black ink that reads "Nim K. Cheung".

Nim K. Cheung, IEEE Awards Board Chair

THE VISION, INNOVATION, AND CHALLENGES SUMMIT

A day of learning, inspiration, and networking

Gain perspective and deepen your understanding of key topics impacting our world today. The annual IEEE VIC Summit highlights the innovation and creativity of engineering, science, and technology through provocative, educational, and inspiring talks with a vision for the future, opportunities for innovation, and the challenges to overcome.

These sessions draw individuals from all over the world, from young professionals to high-level decision makers in the technology ecosystem.

"It's the most exciting event that I've ever attended."

ABOUT THE HONORS CEREMONY GALA

Celebrating some of the greatest minds of our time!

The Summit culminates with the IEEE Honors Ceremony Gala — an evening celebration of renowned icons whose work has served as a catalyst for and propelled major advances in such areas of:

- communications,
- medical imaging,
- visual media,
- information sciences and systems, and
- various other fields of computer and electrical engineering.

The achievements of the Award and Medal Recipients that are recognized at this event have made today's advancements in technology possible.

"The Award Ceremony & Gala certainly felt like attending the Academy Awards."

"Overcoming uncommon challenges demands both unconventional thinking and exploratory zeal. For two years we have been proud to sponsor the IEEE VIC Summit and Honors Ceremony and the James H. Mulligan, Jr. Education Medal. And in 2019, we had the opportunity to present a distinguished talk on aerospace technology at the event to an audience of over 350 technologists. Lockheed Martin is pleased to celebrate those who also embrace these ideals and share Lockheed Martin's vision of a brighter, safer, and more productive future."

Mary Snitch, Lead, External Engagements,
Lockheed Martin Corporation

EVENT CO-PARTNER OPPORTUNITY

Become our Exclusive Diamond Sponsor at \$300k

Are you ready to take your brand to the pinnacle of success and leave a lasting impact in the industry? We are thrilled to present our most distinguished sponsorship opportunity - the Exclusive Diamond Sponsorship.

As our esteemed Diamond Partner, you will enjoy unrivaled brand visibility and recognition throughout the entire event. Here's what you can expect as our Diamond Sponsor:

Exclusivity and One-on-One Access: Gain exclusive one-on-one access to the leadership of IEEE, forging influential relationships and partnerships that can propel your business forward.

Tailored Marketing Offerings: We believe in customizing benefits to suit your company's unique goals and objectives. That's why we are dedicated to crafting a personalized sponsorship program that aligns perfectly with your needs. We will work with you to ensure your brand shines brightly throughout the event.

Thought Leadership Opportunities: Seize the chance to participate in high-level discussions and engage with thought leaders in the industry, elevating your company's position as a prominent player.

Inspire and Connect: Be an integral part of the Summit experience, as attendees come together to share ideas, network, and get inspired. Your brand will play a pivotal role in shaping this unforgettable event.

Don't miss this chance to position your brand at the forefront of the conversation and demonstrate unwavering support for the advancement of technology and engineering.

"The VICS/Honor Ceremony attracts key technical and executive, industry and academic, leaders worldwide. Being a sponsor provides impactful visibility to these attendees. For GE, visibility to all these segments is very important. The benefits of sponsorship are far greater than the nominal cost to be a sponsor. GE was pleased to sponsor this year and plans to sponsor future VICS/Honor Ceremony events."

John McDonald, IEEE Life Fellow and GE Vernova Grid Solutions Smart Grid Business Development Leader

ADDITIONAL SPONSOR OPPORTUNITIES

Sponsor benefits will be customized

We will happily work with you to create the right sponsorship program based upon your budget and goals. Contact us today.

PANEL SPONSOR — \$35K

"A passion for unrelenting innovation is what drives Qualcomm's pursuit of the transformative technologies of the future. Recognizing and honoring that same drive in those individuals and organizations setting the standard for technology and engineering excellence, we are proud of our sponsorship of the IEEE Richard W. Hamming Medal and the 2019 and 2022 "An Evening of Innovation" pre-events held before the Honors Ceremony at the Qualcomm San Diego Campus."

Ed Tiedemann, Senior Vice-President, Engineering, Qualcomm Technologies, Inc. and IEEE Fellow
