THE VISION, INNOVATION, AND CHALLENGES SUMMIT
A day of learning, inspiration, and networking

Gain perspective and deepen your understanding of key topics impacting our world today. The annual IEEE VIC Summit highlights the innovation and creativity of engineering, science, and technology through provocative, educational, and inspiring talks with a vision for the future, opportunities for innovation, and the challenges to overcome.

These sessions draw individuals from all over the world, from young professionals to high-level decision makers in the technology ecosystem.

“It’s the most exciting event that I’ve ever attended.”

ABOUT THE HONORS CEREMONY GALA
Celebrating some of the greatest minds of our time!

The Summit culminates with the IEEE Honors Ceremony Gala — an evening celebration of renowned icons whose work has served as a catalyst for and propelled major advances in such areas of:

- Artificial Intelligence,
- Medical Imaging,
- Internet of Things,
- Cybersecurity, and
- various other fields of computer, communication and electrical engineering.

The achievements of the Award and Medal Recipients that are recognized at this event have made today’s advancements in technology possible.

“The Award Ceremony & Gala certainly felt like attending the Academy Awards.”

“Overcoming uncommon challenges demands both unconventional thinking and exploratory zeal. For two years we have been proud to sponsor the IEEE VIC Summit and Honors Ceremony and the James H. Mulligan, Jr. Education Medal. And in 2019, we had the opportunity to present a distinguished talk on aerospace technology at the event to an audience of over 350 technologists. Lockheed Martin is pleased to celebrate those who also embrace these ideals and share Lockheed Martin’s vision of a brighter, safer, and more productive future.”

“*The VICS/Honor Ceremony attracts key technical and executive, industry and academic, leaders worldwide. Being a sponsor provides impactful visibility to these attendees. For GE, visibility to all these segments is very important. The benefits of sponsorship are far greater than the nominal cost to be a sponsor. GE was pleased to sponsor this year and plans to sponsor future VICS/Honor Ceremony events.*”

John McDonald, IEEE Life Fellow and GE Vernova Grid Solutions Smart Grid Business Development Leader
