

**IEEE RICHARD M. EMBERSON AWARD  
RECIPIENTS**

- 2024 - STEFAN MOZAR (LFIEEE)—Self Employed Engineer, Glenwood, New South Wales, Australia "For sustained contributions and leadership of multiple IEEE Societies and Technical Communities, and IEEE Conferences."
- 2023 - W. ROSS STONE (LFIEEE)—President, Stoneware Limited, San Diego, California, USA "For sustained contributions to and impactful leadership in the IEEE Technical Activities publication enterprise."
- 2022 - FREDERICK C. MINTZER (LFIEEE)—Program Director, Blue Gene Watson Supercomputer Center and Associate Director of IBM's Deep Computing Institute (Retired), IBM T. J. Watson Research Center, Yorktown Heights, New York, USA "For outstanding leadership of technical activities including the IEEE Collabratec and TAB technology-centric communities."
- 2021 - LEWIS TERMAN (LFIEEE)—Retired, Associate Director, Systems Department, IBM Research Division, South Salem, New York, USA "For contributions to and leadership of multiple IEEE technical Societies, the Technical Activities Board, and IEEE humanitarian technology activities."
- 2020 – JOHN VIG Consultant, DARPA Microsystems Technology Office, Colts Neck, NJ, USA "For leadership, entrepreneurship, and perseverance in founding the IEEE Sensors Council and associated technical journals."
- 2019 – MARCEL KESCHNER President and CEO, Markel Engineering, Montevideo, Uruguay "For promoting technical activities and technical education for under-served populations, while advancing cooperation between the volunteers of IEEE across continents and cultures."
- 2018 – DONALD HEIRMAN President, Don Heirman Consultants, Lincroft, New Jersey, USA "For leadership and service to industry and IEEE, and for the development of global consensus and education in IEEE technical fields and standards."
- 2017 - DAVID HODGES Daniel M. Tellep Distinguished Professor Emeritus, University of Berkeley, Berkeley, California, USA "For effective leadership in advancing IEEE's goals for excellence in publications, conferences, and awards."
- 2016 – STEPHEN B. WEINSTEIN "For contributions to IEEE Publications,

| President, Communication Theory & Technology Consulting, New York, New York, USA   | Awards, and globalization."   |
| 2015- RAYMOND S. LARSEN<br>Special Projects Engineering Manager, ICD Division, SLAC National Accelerator Laboratory, Stanford University, Half Moon Bay, California, USA               | "For inspiring locally owned businesses to provide sustainable humanitarian benefits in underprivileged communities."   |
| 2014 - WANDA K. REDER<br>Vice President, S&C Electric Company, Chicago, Illinois, USA  | "For leadership in the IEEE Smart Grid program and in the continued growth of the Power and Energy Society, including the creation of its Scholarship Fund."  |
| 2013 - LEAH H. JAMIESON<br>John A. Edwardson Dean of Engineering and Distinguished Professor of Electrical and Computer Engineering, Purdue University, West Lafayette, IN, USA        | "For contributions to IEEE technical activities through leadership, strategic planning, public advocacy, and effective new programs, most notably Engineering Projects in Community Service (EPICS)." |
| 2012 - BRUCE EISENSTEIN<br>Drexel University, Interim Dean of Engineering Arthur J. Rowland Professor of Electrical and Computer Engineering, Drexel University, Philadelphia, PA, USA | "For leadership in effectively improving the operation, structure, and finances of the Technical Activities Board and for contributions to IEEE."   |
| 2011 - DONALD C. LOUGHRY<br>Retired Standards Manager, Hewlett-Packard Co., Palo Alto, CA, USA   | "For leadership in the development of technical standards within IEEE that meet critical industrial and societal imperatives."  |
| 2010 - JAMES M. TIEN<br>Distinguished Professor and Dean, College of Engineering, University of Miami, Coral Gables, FL, USA   | "For vision and leadership in advancing IEEE's global visibility and recognition as an innovator in technical, publication and educational services."   |
| 2009 - HAROLD L. FLESCHER<br>Consultant<br>HLF Consulting Services   | "For strong and effective leadership in the major reform of the financial structures of the Technical Activities Board and the  |

RECIPIENTS**

- Palm Beach Gardens, FL, USA      IEEE."
- 2008 - JAMES T. (TOM) CAIN      "For valuable contributions to the  
Prof. of Electrical and Computer      Institute's publications and for the  
Engineering      advancement of Electrical and Computer  
University of Pittsburgh      Engineering in engineering curricula."  
Pittsburgh, PA, USA
- 2007 - NOT AWARDED
- 2006 - DONALD M. BOLLE      "For a distinguished career of Institute  
Professor Emeritus, Lehigh      leadership in the technical and  
University, Bethlehem, PA and      transnational areas."  
Provost Emeritus  
Polytechnic University  
New York, NY
- 2005 - LLOYD A. (PETE) MORLEY      "For outstanding and visionary leadership  
Professor and Head, Electrical      of the Institute's technical and publication  
and Computer Engineering      activities during times of great change and  
University of Alabama      contributions to the effectiveness of  
Tuscaloosa, AL, USA      operations."
- 2004 - KENNETH R. LAKER      "For his vision and leadership on behalf of  
Alfred Fitler Moore Professor of      the Institute's technical and educational  
Electrical Engineering      activities, particularly electronic delivery of  
University of Pennsylvania      technical and educational information."  
Philadelphia, PA, USA
- 2003 - WILFRED KENNETH DAWSON      "For leadership in influencing and  
Division Head and Prof. of      motivating actions leading to significant  
Physics Emeritus TRIUMF      improvements in the Institute's  
University of Alberta      Information Technology System and the  
Vancouver, BC, Canada      interaction between technical and  
publication activities."
- 2002 - ROBERT W. LUCKY      "For his exceptional contributions to IEEE  
Telcordia Technologies      technical and technical publication  
Red Bank, NJ, USA      activities and his unique contributions in  
publicizing the impact of technology on  
engineers and society."
- 2001 - CHARLES J. ROBINSON      "For outstanding sustained contributions to  
US Dept of Veterans & Univ of      the Institute's technical objectives through  
Pittsburgh      innovative enhancements in society and  
Pittsburgh, PA, USA      corporate leadership, technical  
publications, conferences, membership

**IEEE RICHARD M. EMBERSON AWARD  
RECIPIENTS**

- development and transnational outreach."
- 2000 - J. DAVID IRWIN  
Auburn University  
Auburn, AL, USA  
"For a long and distinguished record of service to the Institute in the educational, technical and publication areas."
- 1999 - EDWARD A. PARRISH  
Worcester Polytechnic Institute  
Worcester, MA, USA  
"For eminent leadership in the technical and educational activities of the Institute, particularly for his visionary work in accreditation, and for his long term dedication to the technical and publication activities of the IEEE Computer Society."
- 1998 - H. TROY NAGLE, JR.  
North Carolina State University  
Raleigh, NC, USA  
"For outstanding technical leadership and dedication to the Institute, particularly in preparing for the challenges of the 21st century"
- 1997 - FRIEDOLF M. SMITS  
AT&T Bell Labs  
Allentown, PA, USA  
"For outstanding service to the Institute in technical activities, electronic communications, and publications management and finance."
- 1996 - THEODORE S. SAAD  
Sage Laboratories  
Weston, MA, USA  
"For distinguished service and outstanding leadership in advancing the technical objectives of the IEEE at numerous levels of Society, Section, and Institute activities for more than forty years."
- 1995 - THEODORE W. HISSEY, JR.  
MACRO Corporation  
Horsham, PA, USA  
"For distinguished service to the Institute's technical activities in Societies and Regions, for advancing its transnational objectives, and for Society leadership."
- 1994 - OSCAR N. GARCIA  
The George Washington University  
Washington, DC, USA  
"For outstanding contributions to the technical and educational objectives of the Institute, and for leadership within the Computer Society and in technology policy issues."
- 1993 - WILLIAM R. TACKABERRY  
General Electric Company  
Fairfield, CT, USA  
"For widespread activity in the power engineering field, as well as United States technology policy and the general administration of the IEEE."
- 1992 - BRUNO O. WEINSCHL  
Bruno Weinschel Associates  
Gaithersburg, MD, USA  
"For distinguished leadership in the Institute's technical professional, educational, standards, and publishing

**IEEE RICHARD M. EMBERSON AWARD  
RECIPIENTS**

activities."

1991 - STEPHEN J.KAHNE  
The MITRE Corporation  
McLean, VA, USA

"For distinguished service leadership in the Institute's technical and education programs, and for contributions to the field of control systems engineering."

1990 - HAROLD CHESTNUT  
SWIIS Foundation  
Schenectady, NY, USA

"For leadership and dedication to the Institute's technical growth and service worldwide, and for the development of systems engineering concepts."

1989 - JOSE B. CRUZ, JR.  
University of California  
Irvine, CA, USA

"For strengthening Society service in the IEEE, the development of Institute publications programs, and the delivery of control systems technology to members."

1988 - MERLIN G. SMITH  
IBM Corporation  
Yorktown Heights, NY, USA

"For important contributions and dedicated service to the Institute's technical programs."
